Dear General Carter:

I wish to take this opportunity to convey the thanks of the class members, and the staff and faculty of the United States Army Special Warfare School for the very authoritative, and extremely interesting and informative presentation made by Mr. John Richardson to the Senior Officer Counterinsurgency and Special Warfare Orientation Course on 3 June 1964. Mr. Richardson's knowledge, combined with his varied assignments and vast personal experiences, made this presentation one of the highlights of the program.

Our next Senior Officer Course will be presented during the week of 27-31 July 1964. We would again appreciate having Mr. Richardson return to assist us in accomplishing the instructional mission. If you can approve such a request, we should like to have Mr. Richardson speak on the morning of 29 July between 0730-0900 hours. Speakers such as this significantly enhance the conduct of the class to this high level group and achieve the most credible, effective instruction.

Sincerely,
